If you have any suggestions for events, turning demonstrations, or even additions to the newsletter, please submit them to me at a meeting or email me at smallturnings@gmail.com.

Welcome Back!

I trust everyone had a great summer, mine was too short but that's the way it goes. Time to get back in the saddle, or in front of the lathe anyway. I am excited about the new year, let's hope we have a great one.

The club was represented at the Saltsburg Canal Days celebration in June. Unfortunately, the Blairsville Diamond Days committee decided to pass on the Diamond Days celebration this year due to all of the construction that was going on in Blairsville this summer. Maybe it will be reinstated for next year.

As always, if anyone has any suggestions for meeting demos, or if there is something, a technique, or process that you would like to see this year. Please let us know. Also, any suggestions, improvements, or content for the newsletter is very welcome. This is your club after all.

Just a review of our officers:

Andy Scott, President

Bob Henry, Vice President

Bob Wilson, Treasurer

Blake McCully, Secretary.

Our first meeting of the year will be Tuesday, September 13, 2011, as always 6:30—7:00 pm is social time, the meeting will start at 7:00. The demo for the first meeting will be a pendant turning demo by Blake McCully. Blake will be using a jig that was designed by Ruth Niles, a turner from Eastern Pennsylvania. Ruth designed the jig to be used in conjunction with the mandrel used to turn bottle stoppers for her stainless steel stopper mechanisms. I hope you enjoy the session.

Butler Area Woodturners

Jack Brown, Treasurer of the Butler Area Woodturners informed me that their club is hosting a session with professional turner, Dick Gerard, from Indianapolis Indiana. He will be presenting his turnings to the BAW at their

meeting on October 18. More details can be found on page 2. If you need would like to attend and need directions, we can discuss that at the meeting. See you all there.

Butler Area Woodturners will host nationally known woodturner, Dick Gerard, from Indianapolis, IN, on Tuesday evening, October 18, 2011, from 6:30 to 9:00 PM. Dick is a founding member of The American Association of Woodturners and also an Honorary Life Time Member. He will demonstrate turning a renaissance goblet. There is no charge for BAW members, but a \$10 charge will be made for non-members.

The meeting will be held at the Art Center, 344 South Main Street, Butler, PA.
