. Lumber was moved by Dave Fairman and Chris Weiland.

New Business:

. Thanks to Bill Malia for cookies this month.

.Cookies for January will be provided by Dave Fairman.

.Dave brought up a proposal that the club meet twice a month. One regular meeting on the second Tuesday of each month for the regular business meeting and one Saturday morning to utilize the machines at IUP and to offer new turners and old to get together and turn wood. Much like a hands on turning meeting. A motion was made by Pete to pursue the logistics of this with IUP and seconded by Chris Weiland. The motion carried.

.Bill Malia gave a financial report.

.Mitch brought a Christmas Globe gift for BA for all her support .

.Pete Smith gave a very nice demo on the use of a vacuum chuck.

.March demo will be a larger Platter done by John Sinoski.

.We wish all members and their family a blessed Merry Christmas and a healthy and prosperous New Year!
